At REIO, employees work hard to ameliorate the quality of services, thus providing you the with latest trending designs.

#### THE QUALITY POLICY

Quality policy at REIO promises to meet or exceed the life span of each product thereby providing you reliable products.

#### COMMITMENT.

REIO manufactures each and every product with the accepted standards which are certified by the following associations.

#### ISO 9001:2015 CERTIFICATION.

This certification sets out the criteria for a quality management system & is the only standard in the family that can be certified.

Using **ISO 9001:2015** helps ensure that customers get consistent, good quality products & services, which in turn brings many business benefits

#### ISI MARK

ISI mark is a certification mark for industrial products in India.

The mark certifies that a product conforms to the Indian Standard, mentioned as **IS:3854 / IS: 1293** on top of the mark, developed by the Bureau of Indian Standards (BIS), the national standards body of India.

#### RoHS

The restriction of hazardous substances directive 2002 / 95 / ec, (rohs 1), short for Directive on the restriction of the use of certain hazardous substances in electrical & Electronic equipment, was adopted in february 2003 by the European union.

#### CE MARK

CE Marking on a product indicates to governmental officials that the product may be legally placed on the market in their country.

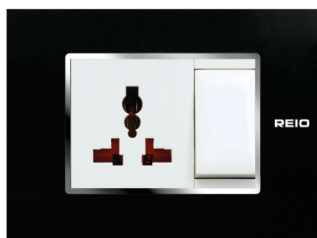

CE Marking on a product ensures their free movement of the product within the EFTA & European Union (EU) single market (including totally 30 EEA\* countries), &

CE Marking on a product also permits the withdrawal of the non-conforming products by EEA customs and enforcement/vigilance authorities.
